SUNDAY, APRIL 18, 2010

Location: TBD

7:30-8:10 am

Registration and Continental Breakfast

Location: TBD

An item-writing workshop will be facilitated by a psychometrician from Applied Measurement Professionals, Inc., a subsidiary of the National Board for Respiratory Care. During the morning of the workshop, participants will receive training about the logic behind the way in which multiple-choice test items are typically developed. The afternoon will be devoted to practice in writing multiple-choice items individually and in small groups.

8:00 AM- 12:00 PM

Didactic Instruction on Question Writing

Robert Shaw Jr., PhD

12:00 -1:00 PM

Lunch; *Location: TBD*
